# ABOUT THE DRAMA CLUB

- The St. Hilda's Secondary School Drama Club supports the passion of both male and female students in the arts. We attained the Distinction award for the SYF Arts Presentation in 2015, 2017 and 2019, and the Accomplishment award in 2023. In 2018, we showcased a double-bill with Paya Lebar Methodist Girls School. This was our MAD ABOUT DRAMA (MAD) production which we presented for the general public. The Hildan Drama Club is committed to helping our students realise their dramatic or artistic potential and providing opportunities for our members to showcase their talent.
